

Life's ups and downs make us who we are. When major events like marriage, childbirth, new medical diagnosis or losing a loved one occur, your benefits can adjust with you!

We have partnered with **Benefits All In** (BAI) to enhance your employee benefits and ensure you have an exceptional health insurance experience!

- Children turning 26
- Loss of employment
- Medicaid/Medicare
- Birth or Adoption
- New Diagnosis
- VA or TriCare

**BAI's team of expert health insurance Resource Specialists can:**

- Prepare you for any upcoming changes or Qualifying Life Events
- Review your current health insurance plan and advise you on the best coverage options for you and your family.

**You can now contact the BAI team directly when going through one of these life events.**
